### Telephone box makeover

It's lovely to see that the village's telephone kiosk has recently received some tender loving care. This iconic phone box was designed in 1935 by Sir Giles Gilbert Scott to commemorate the Silver Jubilee of George V. It is Grade II listed and well worth taking a look inside now that it has had a makeover.

### Harvest Festival Service

Thank you so much to everyone who kindly decorated the Mission Room and donated fresh produce and groceries for this service. The amount of groceries for the local food bank was tremendous and a wonderful £96.65 was raised for the farming charity RABI. Your generosity is greatly appreciated.
